

Transformation Bible Study

Wouldn't it be nice if we could just say a little prayer—*God, please help me reach this goal*—then go to sleep and wake up the next day a transformed person? Unfortunately, God doesn't usually work that way. Instead, He wants us to get involved in our own transformation.

1. Read the following Bible verses and list the role we play and the role God plays in the transformation process.

| | Our Role | God's Role |
|-------------------------|----------|------------|
| John 8:31-32 | | |
| John 15:1-5 | | |
| Romans 12:2 | | |
| 2 Corinthians 10:3-5 | | |
| John 17:17 | | |

2. In summary, what is our part in the transformation process?
3. What is God's part in the transformation process?
4. What do you normally do when you want to be successful with difficult goals, such as New Year's resolutions?
5. According to the verses you just read, is that enough? Why or why not?
